

Care. Protection. Quality.

FOR IMMEDIATE RELEASE:

## **Transform Your Expertise with Degesch America's Phosphine Certification Course!**

1-18-2024 - Degesch America, Inc., a leading authority in fumigation solutions, is thrilled to announce the launch of the Phosphine Certification Course, an unparalleled online training program designed to empower individuals with the knowledge and skills needed to excel in the field of phosphine fumigations.

The comprehensive program serves as a gateway for participants to acquire essential skills, strategies, and insights crucial for success in the world of phosphine fumigation. Whether you're an aspiring fumigator, a seasoned professional, a regulatory agent, a trade association member, or anyone passionate about fumigation, this course is tailored for you.

Key highlights of the Phosphine Certification Course include:

- **Comprehensive Curriculum:** Dive deep into the fundamentals of phosphine, fumigation techniques, and safety protocols to ensure the well-being of yourself and others.
- **Pest Identification:** Learn how to identify common stored product pests, making you adept at addressing specific challenges in the field.
- **Application Calculations:** Master the art of precise application calculations for effective and targeted fumigations.
- **Monitoring for Efficacy and Safety:** Develop skills to monitor fumigations, ensuring both efficacy and safety are prioritized.
- **Expert-Led Video Lectures:** Engage with high-quality video lectures delivered by seasoned industry experts, complete with detailed graphics and informative materials.
- **Progress Evaluation:** Track your progress through quizzes and a final exam at the end of the course, ensuring a thorough understanding of the material.
- **Flexible Learning:** Enjoy the flexibility to study at your own pace and from anywhere in the world.

Care. Protection. Quality.

"We are excited to offer this transformative journey to individuals who are passionate about fumigation," said Ben Harl, Marketing Director at Degesch America, Inc. "This course is not just about learning; it's about becoming a phosphine fumigation expert and staying ahead in the competitive world of fumigation."

Are you ready to take the next step in your career? Join us on this transformative journey and unleash your potential in the world of phosphine fumigation!
